

Handwritten text at the top of the page, possibly a name or title.

19 marzo 1953

Drugs: Braco Eucade,

Other symptoms were hot & bluish
fever, headache, each just myeloma
& rigidity.

Go to Cuernavaca, Mexico

Best name in the world
together in America,

Chicalaym, some house

All my best wishes

My dear friend,

My best wishes to you

Best wishes to you

My best wishes to you

My best wishes to you

My best wishes to you
